Full payment must be received by six weeks of age. You may pay the balance in cash at the time of pickup. Pickup is to be made at 8 weeks of age. Personal checks are accepted, 14 days in advance of pick up so they have ample time to clear our bank.

Veterinary health papers are required to transport pigs across State lines. Most states require health papers only, though some require specific blood or fecal tests. Parmanian Acres makes all arrangements for veterinary inspections. For vet check, the cost is \$10 per pig, and the group health certificate is \$16.50, which is our cost. Any additional blood tests will be charged at the same rate that our veterinarian bills us. All veterinary costs are the sole responsibility of the purchaser.

Pigs leave our farm healthy and sound. Parmanian Acres and/or Mark Sponsler is not liable for any injury sustained by a pig after purchase. Once the pig is released to the purchaser or transporter representing purchaser, Parmanian Acres and/or Mark Sponsler is not liable for any injury, illness, death or veterinarian fees due to improper handling, feeding, medication, misc. ailments, etc; as we cannot guarantee proper care of the pig after purchase. It is the purchaser's responsibility to gain the knowledge necessary to properly care for the pig. Parmanian Acres and/or Mark Sponsler will answer any questions to the best of our knowledge regarding the care of pigs prior to purchase and will be available as a reference person after purchase.

A visit to the farm and self-pick up of your pigs is always encouraged. If you need your pigs delivered, we can offer the following information: delivery for a fee \$1.00 per loaded mile (normally compute mileage based on a one way trip from Parma Michigan- up to 500 miles-maybe further) inquire prior to reserving to confirm delivery - we aren't always available for delivery. Adult pigs can be transported via professional ground carrier, though we do not make these arrangements.

Complete payment for the pigs, crate (if desired), & veterinarian fees & delivery must be received prior to any pigs leaving our farm. If Purchaser decides not to complete this transaction, Purchaser will forfeit any deposit. Purchaser has the opportunity to visit Seller to visually inspect said pigs or is accepting pigs "as is". In the event that the reserved pig is not available due to illness or death, Purchaser's deposit will be refunded, or another pig will be made available. Please retain a copy of this Purchase Agreement for your records. I agree to contact Parmanian Acres if my contact information has changed. Contract will be void and deposit/s retained if we are unable to contact you.
